## FROM PERSONAL CALLING TO PERSONAL TRANSFORMATION!

We are now beginning the 2<sup>nd</sup> year of our theme study, "The Great Commission- A Global Outreach: Personal Calling, **Personal Transformation**, Personal Instruction and Personal Commitment".

### TRANSFORMATION

#### Personal Transformation 2<sup>nd</sup> year study

Focuses on our being changed or prepared to do the work.

(Romans 12:1-2)

I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service.

And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove, what is that good, and acceptable, and perfect, will of God.

The first component had us to really look at our personal calling and to be grounded and secure in what it was. We sat silently and heard the words and instruction from God.

Now it is time to reach inward for your personal transformation. This may be the most exciting as well as the most challenging. Transforming to what God has called us to do and become is the step in our lives that requires much prayer. Prayer changes things! Let's use our study guide for our mission education and begin our personal transformation together.

*2 Corinthians 5:17 - Therefore if any man [be] in Christ, [he is] a new creature: old things are passed away; behold, all things are become new.*

---

As you go through this journey, I would love to hear your up dates to transforming. What new realizations have you had that could bless others, or just to share. What can I do to assist you in your mission education efforts.
