What a time we have had and are having with our "Personal Transformation study. You first had to understand that this was a process that started with the mind. It is an inwardly transformation that is embodied in our character outwardly. Wow!

Next, we are to engage in our Personal Instruction. Join the Missionaries across Zion, July 21-22, 2017 in Knoxville, TN at the Leadership Seminar. This is the location where we will have an opportunity to participate in interactive presentations on what personal instruction really means to us.

Other presentations include Human Trafficking, a YAMS Empowerment Session, YOUR voting power, and Individual Leadership Workshops with our department leads.

Matthew 28:19 - 20: Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost.

The Leadership Seminar is open to all. This is a chance to ask the questions, share the ideas, and increase your empowerment, to Win the World for Christ.
